2019 ISSUE

## FROM THE DESK OF THE CEO

On behalf of the Board of Directors and the Management Team of the Institute, I write to thank all who have been part of our success story in the year 2019. It's been a year of many challenges especially with the hosting of the fourth Africa Leadership Summit in Jerusalem during the month of September.

The Institute subsists on miracles, daily, weekly and monthly. The constant shortfall on our budget is scary to say the least, but we have learnt and continue to learn that underneath us are God's everlasting arms. I would not have that everlasting arm replaced by a bank, a rich benefactor or donor. When the everlasting arm of God connects us with more of such people we will celebrate and appreciate them while leaning still on the everlasting arm.

The arm of God brought Israel out of Egypt, one of the most comprehensive political and economic liberations the world has ever seen. The arm of God sustained more than two million people in the wilderness and delivered to them the Promised Land. The story of the children of Israel reminds us all that God will always deliver on His promises. God has kept the Institute as a going concern for the past fourteen years and I believe that in the fifteenth year, He will deliver again on His promises and take us to greater heights.

In the year 5780, the year of the mouth in the Hebrew Calendar, the year 2020 - a season of Kingdom vision, I pray that the Institute will serve God like the donkey that our Lord Jesus rode into Jerusalem and that it would be a carrier and courier of God's Kingdom plan for this generation. The year 2020 also marks 401 years since the first slave ship from Africa docked in North America. The cycle of iniquity of Slavery and economic exploitation of Africa has come to an end in the name of Jesus. We need to arise and download a new social order, economic and political blueprint for Africa and the world.

The world has seen the emptiness of Communism and the iniquity of Capitalism. It is now time for Africa to create a new economic order built on the biblical template of LOVE.

Shalom!

## LEADERSHIP TRAINING PROGRAMME (LTP)

The Leadership Training Program offers training to individuals in the application of Biblical principles to public life. It is aimed at developing righteous leaders who can provide solutions for the continent and world in every sphere of influence. The course essentially covers Bible-based principles which can be applied by leaders as they steward what has been entrusted to them.

The 5-Module Training Program was presented over two-day sessions per module throughout 2019 in Pretoria. The final module for the year was combined with a fasting and prayer camp held at the Youth for Christ camp site during 14-16 November, Hekpoort, Magaliesburg.

The camp featured:

- Presentation of Module 5 - Biblical Leadership
- Corporate prayer over the content of the training
- Individuals sharing their implementation plans in the sectors of society where they function
- Prayer commissioning of individuals for the empowerment of their implementation plans

The new intake for the 2020 Leadership Training Program will commence at the beginning of the first quarter in the New Year.

# AFRICA YOUTH CAMP

By Magda Greyling

The yearly AFRICA YOUTH CAMP (AYC) was held 22 - 27 September 2019 in Tarkastad again. This year the AYC echoed the tune of Sinach Joseph's song "Way Maker, Miracle Worker, Promise Keeper, Light in the darkness; my GOD... that is Who You are". God has always been the way maker, miracle worker, promise keeper and a light in the darkness but we really experienced Him like that afresh.

Early in the year we saw that God is up to something. People started registering and paying early. People whom we do not know phoned to say they have heard about the camp and whole youth groups registered. We had too many people for the space we had booked. All we could do was pray and trust and GOD DID IT. The campsite could only accommodate 100 guests (sleeping) and 20 day visitors - and that is exactly how many people came! God really knows how to work numbers!

The responsibility to provide meals was taken up by different churches as well as individual people from Tarkastad – AND DID THEY SPOIL US! A farmer shot one of his buck and made hamburger patties for us while others donated milk. We further received sponsorship for AYC attendees as well as cash donations for the transport from Gauteng. Kids from Tarkastad raised AYC attendance fees for themselves and friends by doing small jobs for people in town. Never before did we have so many expenses! BUT, GOD PAID IT ALL. One of the shops in town also made a cash donation. We are in awe and so thankful. The camp was graced with seasoned speakers: Pastor Segun and Rachael Olanipekun, Pastor Africa Mhlophe and Pastor Joel

Olisa. After each session the campers had time to have in-depth discussions in groups, followed by a corporate time of prayer after each topic of discussion. A good number of young people gave their lives to Christ and others re-dedicated their lives to the Lord. A discipleship program via Whatsapp was started immediately after the camp for the new converts and we intend to expand this to a full-blown discipleship program for all involved with the AYC. Other highlights of the camp include:

- Amazing time of sporting activities.
- Game walk, with a theme attached to every animal.

The Africa Youth Committee, under the leadership of Joshua Olusegun, really did wonderful work before and during the AYC. They are truly role models for the next generation. I received a voicemail from one of the kids explaining in detail that he knows the date and venue for 2020 has not been secured yet but he has already spoken to a youth group in Uitenhage in order to start preparing. Other kids shared that they have already started to save for the next AYC indicating that we definitely need a bigger venue for next year! Please pray that we will see what God sees. Thank you to all who have worked, prayed, donated funds and trusted with us to make this possible. Mostly, thank you to our wonderful God who holds the stars in His hands but also us. Father God, You are so awesome.

## AFRICA CELEBRATES JERUSALEM

This initiative is gathering 1 million signatures to declare that

**'JERUSALEM IS THE ETERNAL CAPITAL OF THE JEWISH PEOPLE AND THE ETERNAL HOME OF THE CHRISTIAN FAITH'.**

It forms part of Africa's contribution to the celebration of the 50th Anniversary of the Unification of Jerusalem.

The first edition of the signatures was printed into a book and presented to the leaders of Israel during the 2017 Africa Leadership Summit held in August in Jerusalem. The project will continue until it reaches the targeted 1 million signatures of Africans at home and in the diaspora.

# AFRICA LEADERSHIP SUMMIT - JERUSALEM 2019

By Dr Thuli Makhene

Date: 1 -5 September 2019

Venue: Ramada Hotel Jerusalem

The Africa Leadership Summit has been held biennially in Jerusalem since 2013. The fourth instalment of the summit was held from the 1st to the 5th September in the Ramada hotel, Jerusalem

The Summit focused on connecting Africa to the Abrahamic Covenant, Mantle and Blessings (Gen 12:1-3), every city, every sector and every nation.

The Summit was blessed with seasoned speakers: Pastor Segun Olanipekun (Summit Convener), Rev Willem Badenhorst (South Africa), Pastor John Adejoro Oluwa (Nigeria), Professor Ansel Brown (USA), Reuven & Benjamin Berger (Israel)

Some of the highlights of the Summit includes:

- Visit to the Jewish Agency - A 90-year old institution which was founded to advocate for the advancement of the interests of the Jewish people. During the visit, a partnership connection was made between the Jewish Agency and the Africa Agency, an arm of the Africa Leadership Summit that focuses on community development in African communities.

- Welcome the King of Jerusalem – A two hour session dedicated to worship the Lord Jesus Christ, the King of Jerusalem on arrival day. With African delegates and Jewish believers in joyful worship to the Lord many testified of great encounters of the God of heaven during this session.
- Introduction of the Africa Agency – Workshop and interaction session around the operations of the Africa Agency.
- Africa-Israel Chamber of Commerce – An afternoon was dedicated both to a workshop on the operations of the AICC and its Inaugural International General Meeting.
- Royal Delegates – Three kings from Nigeria's kingdoms were in attendance. It was beautiful to see kings casting down their crowns to worship the King of kings.
- The Diaspora - The season of liberty for the captives has come as the clock records 400 years since Africans were sold into slavery in the Americas. An African-American representative of the diaspora reconnected with Africa in a prophetic action when the kings with their staffs of authority welcomed African-Americans back home in Africa.
- The Gala Dinner – Marked the grand finale where delegates celebrated their uniqueness as Africans in the city of the great King.

# THE BIBLE HOUSE PROJECT

One of the founding leaders of Israel, David ben Gurion, pledged that one day when Israel has arisen from being a wilderness and developed herself into a progressive society, the government will build a Bible House for the nations. 50 years after his prophetic proclamation, the dream began to come true.

The leaders of modern Israel have acknowledged the Bible to be the most important gift the nation of Israel has given to the world. Israel is hereby giving opportunity to every nation in the world which has received the Bible to inscribe it in their indigenous languages, in the hand writing of individual participants and on scrolls specially prepared in Israel. These Bibles in scrolls in different languages from different nations of the world will later be stored up for display in a massive Bible House, a gigantic Bible museum named 'The Bible House' in Israel. This initiative is quite prophetic in that it could be a way that God is allowing families, languages, people groups and nations to rewrite their history by laying a new foundation that connects with the Abrahamic blessings.

The Bible Valley Society, an Israeli non-profit organization, is coordinating the Bible House Project globally, while the Institute for Christian Leadership Development (ICLD) has been authorised to coordinate the project in South Africa.

Due to the unique demographics of South Africa, the Bible will be inscribed in all eleven official languages. Each person inscribing will be given the opportunity to make a token financial contribution per verse towards the cost of the project. These funds will be used to cover the costs of importing all the materials for inscription (the scrolls, certificates and registration documents) from Israel and taking the scrolls around South Africa for inscription. Each inscriber will also receive a certificate that indicates participation.

Each participant will be given access to the Bible House website and view his or her name against the verse(s) inscribed on the Mzansi Bible when it is complete and uploaded.

## THE BIBLE HOUSE PROJECT MZANSI BIBLE
