Motivation

Yoruba Christian Leaders Assembly is a fellowship of leaders from various church denominations, ministries, political groupings, businesses, professions, academia and across the various Yoruba cities who are seeking the empowerment of the Holy Spirit and exploring the Abrahamic pattern of leadership (Abrahamic covenant, principles and blessings) to rebuild the Yoruba foundations, eliminate wickedness and corruption, and establish a highway of righteousness that will facilitate Godly development in all sectors of Yorubaland.

Goals

1. To bring Yoruba people, land, cities and sectors of Yoruba society into the Abrahamic covenant.
2. The investiture of a new generation of Yoruba Leaders in the Abrahamic mantle which captures the authority of father leaders (mothers inclusive) and empowered to develop cities and sectors based on heavenly blueprint.
3. The abolition of all known covenants of Oduduwa, Oranmiyan, Ifa and all demonic spirits over Yorubaland in order that these covenants will no longer produce future leaders of Yorubaland.
4. The establishment of the City Builders Network in Yorubaland (Egbe Atunluse / Atunluto)
5. Invitation and motivation of Yoruba delegates to the 2015 Africa Leadership Summit in Jerusalem.
